ET AL.,

NOTICE OF RELATED ACTION

Under Local Rule 1.07(c), “lead counsel has a continuing duty to file promptly a “Notice of Related Action” identifying and describing any related action – either pending or closed – in the Middle District or elsewhere.” Notwithstanding the instruction in the Uniform Case Management Report, a Notice of Related Action must be filed in all cases in the Fort Myers Division, even if no related action exists.

Counsel and unrepresented parties must also inform the Court about any related cases previously filed with any court or administrative agency. And counsel and unrepresented parties have a continuing duty to promptly inform the Court of any newly filed similar or successive cases by filing an Amended Notice.

I certify that the above-captioned case:

☒ **IS** related to a civil case previously filed in this Court, as indicated below:

It appears that the same petition for Dennis Gutierrez was filed in the SDFL and transferred to the MDFL by two different SDFL judges resulting in two MDFL case numbers for the same habeas petition filed by Dennis Gutierrez. In Case No. 2:26-cv-628-SPC-NPM, the response is due March 13, 2026. The response is due March 27, 2026 in Case No. 2:26-cv-664-KCD-NPM. The undersigned has reached out to petitioner's attorney, Yoel Lemus, to confirm these filings but the undersigned has not heard back. The undersigned also requested Mr. Lemus' position that the federal Respondents may need to supplement any response filed today due to the government's receipt of two different response dates for the same petition, but has not heard back from him.

Respectfully submitted,

GREGORY W. KEHOE
