NVC Case Number: [redacted]

Dear JORGE EDUARDO CRISTOBAL AMEZCUA:

After U.S. Citizenship and Immigration Services approved the immigrant visa petition filed on your behalf, the U.S. Department of State's National Visa Center (NVC) sent you instructions for completing your immigrant visa application, paying fees, and submitting required documents. Our records indicate that you have not contacted NVC in more than one year to submit these items.

U.S. law requires immigrant visa applicants to apply for a visa within one year of availability. Section 203(g) of the Immigration and Nationality Act requires the U.S. Department of State to terminate the registration of any alien who does not apply for an immigrant visa within one year of notification that a visa number is available.

This letter is notification that a visa number is available.

If you do not pursue your immigrant visa application at NVC within one year of the date of this letter, the U.S. Department of State will begin the process of terminating your visa application.

If you wish to pursue an immigrant visa, please log into the Consular Electronic Application Center (CEAC) at https://ceac.state.gov/IV/Login.aspx in order to restart your case. Please note all applicable fees must be paid again. By logging into CEAC, you acknowledge and understand you will have to resubmit all required fees and documents in order to continue the immigrant visa process.

If you are no longer interested in pursuing your immigrant visa application, please inform NVC of your intentions by completing the Public Inquiry Form at https://nvc.state.gov/inquiry. In the **"Type your Question Below"** text box, please indicate ONE of the following:

1. No, I do not want to pursue my immigrant visa application because I have adjusted status. (Please attach a copy of both sides of your alien registration card.)
2. No, I do not want to pursue my immigrant visa application because I have received an immigrant visa through another petition and am now a permanent resident. (Please attach a copy of both sides of your alien registration card.)
3. No, I do not want to pursue my immigrant visa application because I am no longer interested in immigrating to the United States.
4. No, I do not wish to pursue my immigrant visa for a different reason (please provide explanation).

If you do not reply to this notice within one year of the date of this letter, your immigrant visa application will begin the termination process. If you have any questions, please contact NVC by following the instructions online at https://nvc.state.gov/ask.

IMMIGRATION BOND

OMB No. 1653-0022
Expires 8/31/2022

INSTRUCTIONS
(READ INSTRUCTIONS CAREFULLY)

This bond is posted as security for performance and fulfillment of the bonded alien's obligations to the government. An acceptable surety company or an entity or individual who deposits a certified check, a cashier's check or a money order ("cash equivalent") may execute the bond as surety. The surety is the obligor; the bonded alien is the principal, and U.S. Immigration and Customs Enforcement (ICE) is the beneficiary of all bonds it authorizes. The obligor guarantees the performance of the conditions of the bond. The bond's guaranty is secured by the amount of the bond. An acceptable surety company is one that appears on the current Treasury Department Circular 570 as a company holding the requisite certificate of authority to act as a surety on Federal bonds. An agent of an acceptable surety company (a co-obligor) may execute the bond only if the agent attaches to the bond a currently valid power of attorney showing the authority of the agent to act for the surety company or has provided to ICE a power of attorney to be used as part of the eBONDS system. Any agent of an acceptable surety company is a co-obligor on this bond, and he/she shall sign as a co-obligor in paragraph D. Failure of an agent to sign as co-obligor shall result in rejection of the bond. A co-obligor shall be jointly and severally liable with the surety company for any breach of this bond (i.e., the liability of a co-obligor is in addition to, not instead of, that of the obligor).

ICE may refuse to accept any bond to the extent permitted by law. Obligors and co-obligors (if any) shall state their full name and address in Paragraph A. If the obligor's or co-obligor's address changes after posting this bond, the obligor shall promptly submit an Obligor Change of Address (Form I-333) to ICE with the obligor's new address. An obligor or co-obligor shall sign the bond where indicated in Paragraph D. Either the obligor or co-obligor, or both, may be corporate entities. In addition, an obligor who deposits a cash equivalent to secure the bond authorizes ICE to deposit the funds in an account held by the Department of the Treasury (Treasury). By depositing a cash equivalent and executing this agreement, the obligor certifies, subject to penalties provided by 18 U.S.C. § 1001, that the deposit is not the proceeds of any illicit activity. Provided that is true, if the bond is cancelled upon issuance of Form I-391, "Notice - Immigration Bond Cancelled," ICE will refund the cash deposit and applicable interest to the obligor at the address on file.

The collection of the Taxpayer Identification Number (TIN) is authorized by Internal Revenue Code (26 U.S.C. 6109) and Executive Order 9397. In some cases, the TIN may be an individual's Social Security Number.

Purpose: ICE collects this information to provide for the posting, maintenance, cancellation, and breach of an immigration surety bond, and for associated financial management activities, including collection of unpaid monies, reimbursement of the bond principal, and the calculation, payment, and reporting of interest.

NOTICE TO CASH BOND OBLIGORS
IRS "BACKUP WITHHOLDING" RULES

A "cash bond obligor" is the person who has paid the money to post an immigration bond. By law, immigration cash bonds can earn simple interest at the rate set by the Department of the Treasury. ICE calculates interest payment and possible backup withholding after (1) the cash bond is canceled or breached and (2) the obligor submits IRS Form W-9 or W-8BEN.

In certain circumstances, U.S. Immigration and Customs Enforcement (ICE) may be required by the Internal Revenue Service (IRS) to withhold tax from some of the interest payable to you as a cash bond obligor. This requirement is based on IRS backup withholding rules. To assist DHS in determining whether some of the interest must be withheld, please complete and return to ICE either IRS Form W-9 or IRS Form W-8BEN, based on the instructions below. ICE will use the information you provide to determine whether or not you are subject to the IRS backup withholding rules.

Consequences of not returning the IRS Form: If you fail to return the appropriate IRS form, ICE may withhold tax at a rate prescribed in IRS rules based on your apparent status as a citizen, resident, or non-resident alien and on information provided, such as your address, to us during the immigration bond process. If ICE does not have a valid taxpayer identification number for you, and it appears you are a U.S. citizen or lawful permanent resident, ICE may withhold 28% from interest payments made to you. If it appears that you are a non-resident alien, federal backup withholding will be deducted at the rate of 30% on any interest payments made.

INSTRUCTIONS:

- If you are a U.S. citizen or lawful permanent resident, please complete Form W-9.
- If you are a non-resident alien, please complete Form W-8BEN.
- You may obtain Form W-9 or Form W-8BEN from the IRS website: www.irs.gov A Spanish version of Form W-9 and its instructions are available on the IRS website under the "Español" link.
- If you have questions about how to fill out Form W-9 or Form W-8BEN, you may call the IRS Toll Free at 1-800-829-1040.
- After completing the appropriate form, please send it to:

Disclosure: Furnishing this information is voluntary; however, an immigration bond cannot be issued unless you provide the information requested on this form. For bonds secured by a cash equivalent, the obligor's TIN (EIN, ITIN or SSN) is necessary to pay interest through Treasury and to comply with Internal Revenue Service requirements to report interest payments. Your TIN will also be used for the purposes of collecting and reporting information on any delinquent accounts arising out of your relationship with the Government.

Public Reporting Burden. Under the Paperwork Reduction Act (PRA), an agency may not sponsor an information collection and a person is not required to respond to a collection of information unless the form displays a currently valid OMB control number. We try to create forms and instructions that are accurate, can be easily understood, and which impose the least possible burden on you to provide us with information. Often this is difficult because some immigration laws are very complex. The estimated average time to complete and file this application is 30 minutes per application. If you have comments regarding the accuracy of this estimate, or suggestions for making this form simpler, you can write to the Department of Homeland Security, U.S. Immigration and Customs Enforcement, Bond Management Unit, 188 Harvest Ln., Williston, VT 05495-7554. **(Do not mail your completed application to this address.)**

GENERAL TERMS AND CONDITIONS

The express language of the bond shall take precedence over any inconsistent policies or statements. Federal law shall apply to the interpretation of the bond, and its terms shall be strictly construed.

Cancellation of a bond issued as a delivery bond shall occur upon any of the following events, provided that the event occurs prior to the date of a breach: ICE taking the alien back into its custody; deportation/exclusion/removal of the bonded alien; grant of permanent residence to the bonded alien; termination of deportation/removal proceedings (but not administrative closure or stay of such proceedings); death of the bonded alien; voluntary departure by the bonded alien pursuant to a grant of voluntary departure by the immigration court or Board of Immigration Appeals as evidenced by probative documentation (valid proof) thereof; or other circumstances as provided by statute or regulation. Cancellation for these reasons is automatic, and any subsequent appearance demand, or attempt to breach the bond, is null and void. A delivery bond may not be breached when the bonded alien is in local, state, or federal custody, or when the alien is not within the United States, on the date the obligor is to produce the alien; the bond stays in effect unless ICE later takes the bonded alien into its custody directly from local, state, or federal authorities, in which case the bond will be cancelled.

ICE shall notify the obligor or the co-obligor of a demand to produce the alien, the breach or cancellation of a bond, and any demand for payment of a breached bond. Notice sent to either the obligor or co-obligor is sufficient to trigger the duties and obligations under this bond. Any obligation or duty imposed on an obligor by this bond applies equally to all co-obligors.

ICE shall send notice of a breach of the bond to the obligor or co-obligor on Form I-323, Notice - Immigration Bond Breached, at the address of record. DHS regulations provide that, upon notification of a breach, the obligor has 30 days in which to file an administrative appeal or motion for reconsideration of the breach. Any obligor who contests a declaration of breach shall file an administrative appeal seeking review of the declaration of breach. A declaration of breach shall be administratively final if not timely appealed. Judicial review of any final administrative declaration of bond breach is pursuant to the Administrative Procedure Act, 5 U.S.C. § 701, et seq.

Demands for amounts due under the terms of this bond will be sent to the obligor or co-obligor after a declaration of breach becomes administratively final. For bonds posted by acceptable surety companies, if the surety company or agent does not make payment within 120 days of the demand for payment, DHS may notify Treasury of such nonpayment. If payment is not made within 30 days of the date of the demand for payment, interest, penalty, and administrative fees as provided by the Debt Collection Act, 31 U.S.C. § 3701, et seq., and the Federal Claims Collection Standards, 31 C.F.R. §§ 900-904, will accrue from the date of the first demand.

Board Of Immigration

My name is Jorge Eduardo Cristobal Amezcua, [redacted] I am appealing the honorable judge E. G. Robinson's decision to deny my application, I-589 and 42B. The reason for why I believe the honorable judge E. G. Robinson made a wrong decision on my case is because he did not take into full consideration my time being here in the United States. Not only but the honorable judge E. G. Robinson did not see the immigration process I had while in the United States. In addition due to me being detained this has made a major impact on my family's well being and financial system.

As I stated the honorable judge E. G. Robinson did not take into consideration my entire time in the United States. I came into the United States in 1999, at the age of 2 year old, through the San Ysidro border crossing. Since my entry in 1999, I attended school to which I graduated in 2016. the schools I attended was Mar Vista in the city of Oxnard, Ocean View in the city of Oxnard, Channel Island in the city of Oxnard, and Frontier High School in the city of Camarillo. During my time in school I was presented with the opportunity to apply for DACA to which was approved. After graduating in 2016, I was able to learn about plumbing and it turned into a job opportunity. I was able to get a work permit and even filed taxes from 2018, 2019, and 2020.

As part of my immigration procedures I had filed for a 42B, I-589, and a visa, to wich it was approved. In 2019, on my way to work, I was detained by ICE and was located in Adelanto Detention Center. After 4 months in the Adelanto Detention Center I was released on bail for 20 thousand. Since my release I was checking in with ICE through ISAP and an ankle monitor. I was scheduled for an Individual hearing for july 2025 but was detained by ICE in March 2026. ICE has then transferred me to the Otay Mesa Detention Center. As my time continued in the Otay Mesa Detention Center I had to continue my immigration process here. Unfortunately my case was terminated in May 2025 due to DHS having the wrong dates on their end, 2 months past with no court or any news about my case until my lawyer filed a federal case that's when ICE decided to open a new case against me in August 2025.

Furthermore my time in the Otay Mesa Detention Center has impacted my family dramatically. I am married to April Cristobal and have two beautiful kids together, [redacted] who currently live in Texas. My wife is suffering from emotional distress and financial support. My wife and I have always been there for one another and with me detained she has to carry the weight of paying for bills and our children's needs such as food, clothes, and school supplies. As part of me being detained I am only able to have limited communication. Since communication has a cost here, being able to talk to my wife and kids has been a struggle. I have been my wife's emotional support since I would be there for here and listen to her and even help her make decisions.

Overall I feel as the reasons stated above show why I believe the Honorable judge E. G. Robinson, made the wrong decision over my case. Also that's why I am filing an appeal with the Board of Immigration. I thank you in advance for taking the time to read my appeal and I know the Board of Immigration will make a fair decision over my case
