IN THE UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF CALIFORNIA

BALVIR SINGH Petitioner, v. JEREMY CASEY, Warden of the Imperial Regional Detention Center; TODD LYONS, Acting Director of Immigration and Customs Enforcement; MARKWAYNE MULLIN, Acting Secretary of the U.S. Department of Homeland Security; TODD BLANCHE, Attorney General of the United States Respondents.	Civil No. 3:26-cv-01544-BJC-MSB

NOTICE OF COMPLETION OF BRIEFING AND SUBMISSION OF PETITION FOR DECISION

Petitioner respectfully submits this notice to inform the Court that briefing in this matter is complete and the Petition is fully submitted for decision.

Pursuant to the Court's Order, Respondents filed their Return on March 19, 2026, and Petitioner timely filed his Traverse on March 26, 2026. (ECF Nos. 3, 4).

Accordingly, the matter is fully briefed and submitted on the papers.

Petitioner remains detained during the pendency of this action. Petitioner continues to experience the ongoing effects of detention while this matter remains under submission. As set forth in the Petition and Traverse, this case presents a challenge to the legal basis for Petitioner's continued detention, including whether Respondents may rely on § 1225(b) to justify detention following prior release and in the absence of constitutionally adequate process.

Respondents' Return confirms that the issues presented are legal in nature and appropriate for resolution on the existing record, including questions regarding the scope of § 1225(b), the applicability of due process protections, and the limits of prolonged detention under governing precedent.

In light of the fully submitted record, Petitioner respectfully requests the Court's consideration of the pending Petition.

Dated this 13th day of April, 2026.
