SUPPLEMENTAL RESPONSE

In response to the Court's May 22, 2026, Order (Dkt. 13), the Federal Respondents provide the attached Declaration of Deportation Officer Francisco J. Frondeur Jr. The United States Attorney's Office anticipates that the Court will conclude it lacks sufficient detail to meet the government's burden in justifying continued prolonged detention. Further, the United States Attorney's Office anticipates that the Court will conclude that it fails to address the Court's question about why the agency determined Machado Gonzalez is a danger to the community. We await and will comply with any order that may issue.

Dated: May 29, 2026

Respectfully submitted,

GREGORY W. KEHOE
United States Attorney
