Petitioner/Plaintiff, v.

DETENTION CENTER, et al.,
Respondents/Defendants.**

Case No. 2:26-cv-00805-JES-NPM

**EMERGENCY MOTION TO REOPEN CASE
FOR PURPOSES OF ENFORCEMENT OF HABEAS RELIEF**

Petitioner, YAZID SHABANA, through undersigned counsel, respectfully moves this Court to reopen the above-captioned matter for purposes of enforcing this Court's prior habeas ruling and states:

1. Petitioner previously filed a pro se Petition for Writ of Habeas Corpus pursuant to 28 U.S.C. § 2241.
2. This Court granted habeas relief and Petitioner was released from ICE custody.
3. The case was thereafter terminated on May 26, 2026.
4. Approximately three (3) days following his release, ICE agents re-detained Petitioner.
5. Upon information and belief, ICE intends to transfer Petitioner to Louisiana.
6. ICE has not identified materially changed factual circumstances justifying renewed detention.
7. Upon information and belief, no travel documents have been secured and no receiving country has accepted Petitioner.
8. Petitioner seeks enforcement of this Court's prior habeas ruling and emergency injunctive relief preventing transfer and continued unconstitutional detention.
9. Federal courts retain inherent authority to enforce their judgments and preserve the effectiveness of habeas relief previously granted.
10. Reopening this matter serves judicial economy and preserves continuity before the Court already familiar with the underlying detention issues.

WHEREFORE, Petitioner respectfully requests that this Court:

- A. Reopen this matter for purposes of enforcement proceedings;
- B. Permit filing of Petitioner's Emergency Motion to Enforce Habeas Judgment and related emergency motions;
- C. Expedite consideration of the pending emergency matters; and

D. Grant such further relief as the Court deems just and proper.
