SUPPLEMENTAL NOTICE OF POST-FILING DEVELOPMENTS

Petitioner supplements the record with the Immigration Judge's April 9, 2026 decision granting adjustment of status. *See* Ex. K. Petitioner remains detained under the same § 1226(a) bond determination challenged here. This development reinforces the ongoing due process violation and supports immediate release.

Petitioner respectfully preserves all claims related to his unconstitutional detention and requests that this Court grant expedited review and order his immediate release from ICE custody at the Northwest ICE Processing Center.
