UNITED STATES DISTRICT COURT

NORTHERN DISTRICT OF NEW YORK

Hernandez De Castaneda v. Superintendent

Case No. 9:26-cv-00450 (AJB)

PETITIONER'S REPLY TO RESPONDENT'S RESPONSE

Honorable Judge Anthony J. Brindisi:

I respectfully submit this reply in response to the government's filing.

I am the wife of Angel Eduardo Castañeda Cifuentes, the Petitioner in this case. I write respectfully to ask this Court to please consider his situation.

My husband is the primary provider for our family. His detention has caused significant hardship for us and our children. We have three children who depend on him:

[redacted] years old

[redacted] years old

[redacted] born in the United States

[redacted] needs her father's presence, care, and support. As a family, we are suffering emotionally and financially due to his continued detention.

My husband is a hardworking man, a person of faith, and a devoted father. He has strong family ties and a stable place to live. He is not a danger to the community and is not a flight risk.

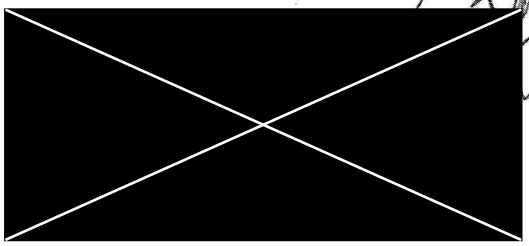

While the government argues for continued detention, we respectfully ask the Court to take into account the humanitarian impact on our family, especially on our children.

We humbly ask the Court to please consider granting appropriate relief in this case. In the alternative, we respectfully ask that he be given the opportunity for a bond hearing.

Thank you for your time and consideration.

Respectfully submitted,

Roxana Recinos Hernandez

To the Honorable Immigration Judge,

I am writing this letter in full support and strong recommendation of Angel Eduardo Cifuentes Castaneda. I have known him for over five years as both a close friend and a coworker, and during this time, I have consistently known him to be a person of honesty, responsibility, and strong moral character.

Since his first year in the United States, Angel Castañeda has been an active and dedicated member of the church that I attend. He has continuously demonstrated kindness, generosity, and a genuine willingness to serve others. He is dependable, respectful, and always willing to assist when needed, both within the church community and in his personal relationships.

In a professional capacity, we work together in the cleaning industry. Angel Castañeda is punctual, hardworking, and highly respectful toward coworkers, supervisors, and clients. He takes his responsibilities seriously and consistently performs his duties with professionalism and integrity. In all the years I have known him, I have never seen him engage in any behavior that would call his character into question, nor have I ever known him to be involved in any legal trouble.

Based on my long-standing and close relationship with Angel Castañeda, I can confidently state that he is a man of strong ethical values and good judgment. I firmly believe that he will continue to be a law-abiding, productive, and positive member of society if granted the opportunity to remain in the United States.

Thank you for your time and consideration. Please feel free to contact me should you require any additional information.

Respectfully,

Elvis Miranda
