UNITED STATES DISTRICT COURT
MIDDLE DISTRICT OF GEORGIA
VALDOSTA DIVISION

RUBEN MORENO SANCHEZ,

Petitioner,

v.

TODD LYONS, in his official capacity as
Acting director of Immigration and Customs
Enforcement;
FIELD OFFICE DIRECTOR, Field Office
Director of Enforcement and Removal
Operations, Atlanta Field Office;
MARKWAYNE MULLIN, Secretary, U.S.
Department of Homeland Security; and
PAMELA BONDI, U.S. Attorney General.
WARDEN, Warden of Irwin County Detention
Center; and
**EXECUTIVE OFFICE FOR
IMMIGRATION REVIEW**

Respondents.

Case No.

**VERIFIED PETITION FOR WRIT OF
HABEAS CORPUS**

I. INTRODUCTION

1
2 1. Petitioner RUBEN MORENO SANCHEZ (“Petitioner”) brings this petition for a
3 writ of habeas corpus. He is a non-citizen who has been residing in the United States since
4 December 7, 2023. He entered the United States and has resided continuously within the borders
5 of the United States since then. Petitioner was apprehended by immigration officials in the
6 interior after his entry and removal proceedings were initiated. (**Exhibit A, Notice to**
7 **Appear**) Petitioner was released from immigration custody and routinely reported to
8 Immigration and Customs Enforcement pursuant to the terms of his release. He has not engaged
9 in any disqualifying criminal activity.

10 2. Under the Immigration and Nationality Act (“INA”), individuals arrested in the
11 interior and placed in § 240 removal proceedings are detained, if at all, under 8 U.S.C. § 1226(a),
12 with a right to a custody redetermination by an Immigration Judge (“IJ”).

13 3. DHS and the BIA assert that because Petitioner was never formally admitted, he
14 is an “applicant for admission” subject to mandatory detention under 8 U.S.C. § 1225(b)(2)(A)
15 and ineligible for bond. That position contravenes the statute, the implementing
16 regulations, decades of pattern & practice, and a judge of this Court rejected the same
17 theory recently in ordering a § 1226(a) bond hearing for another Folkston detainee. *J.A.M. v.*
18 *Streeval et al*, No. 4:25-cv-342 (M.D. Ga. Nov. 1, 2025).

19 4. Courts have also rejected the Government’s position on a class-wide basis as well.
20 In *Maldonado Bautista v. Santacruz*, the Central District of California granted partial summary
21 judgment declaring that 8 U.S.C. § 1226(a)—not § 1225(b)(2)—governs detention for long-
22 present interior arrestees placed directly into § 240 proceedings, and days later certified a
23 nationwide Bond-Eligible Class and ordered access to § 236(a) bond hearings for class members.
24

1 *See Maldonado Bautista v. Santacruz*, No. 5:25-cv-01873-SSS-BFM (C.D. Cal. Nov. 20, 2025)
2 (partial summary judgment); *id.* (Nov. 25, 2025) (class certification and injunctive
3 relief). Despite the federal court order, DHS counsel and immigration judges at Stewart
4 Immigration Court continue to follow *Yajure*. On February 18, 2026, the *Maldonado Bautista v.*
5 *Santacruz* court struck down *Yajure Hurtado*.

6 5. Petitioner seeks a writ of habeas corpus directing Respondents to provide
7 Petitioner a prompt, individualized bond hearing before a neutral adjudicator under § 1226(a)
8 (within 7 days), at which the Government bears the burden to show by clear and convincing
9 evidence that he is a danger or flight risk, or, in the alternative, an order for his immediate
10 release under reasonable conditions. He also seeks an order prohibiting transfer outside this
11 District during the pendency of these proceedings.

12 II. JURISDICTION

13 6. This Court has jurisdiction under 28 U.S.C. § 2241(c)(5) (habeas corpus), 28
14 U.S.C. § 1331 (federal question), and Article I, section 9, clause 2 of the United States
15 Constitution (the Suspension Clause).

16 7. This Court may grant relief pursuant to 28 U.S.C. § 2241, the Declaratory
17 Judgment Act, 28 U.S.C. § 2201 *et seq.*, and the All Writs Act, 28 U.S.C. § 1651.

18 III. VENUE

19 8. Pursuant to *Braden v. 30th Judicial Circuit Court of Kentucky*, 410 U.S. 484, 493-
20 500 (1973), venue lies in the United States District Court for the Middle District of Georgia, the
21 judicial district in which Petitioner currently is detained. (**Exhibit B, ICE Detainee Locator**)

22 9. Venue is also properly in this Court pursuant to 28 U.S.C. § 1391(e) because
23 Respondents are employees, officers, and agencies of the United States, and because a
24

1 substantial part of the events or omissions giving rise to the claims occurred in the MIDDLE
2 DISTRICT of Georgia.

3 **IV. REQUIREMENTS OF 28 U.S.C. § 2243**

4 10. The Court should grant the petition for writ of habeas corpus “forthwith,” as the
5 legal issues have already been resolved by this Court in *J.A.M. v. Streeval et al*, No. 4:25-cv-342
6 (M.D. Ga. Nov. 1, 2025).

7 11. The Central District of California in *Maldonado Bautista v. Santacruz* has
8 additionally issued a nationwide class certification declaring that class members, including
9 Petitioner, are for all eligible class-members, including Petitioner, are eligible to have an
10 individualized bond hearing. No. 5:25-cv-01873-SSS-BFM (C.D. Cal. Nov. 20 & 25, 2025).

11 12. Habeas corpus is “perhaps the most important writ known to the constitutional
12 law . . . affording as it does a *swift* and imperative remedy in all cases of illegal restraint or
13 confinement.” *Fay v. Noia*, 372 U.S. 391, 400 (1963) (emphasis added). “The application for the
14 writ usurps the attention and displaces the calendar of the judge or justice who entertains it and
15 receives prompt action from him within the four corners of the application.” *Yong v. I.N.S.*, 208
16 F.3d 1116, 1120 (9th Cir. 2000) (citation omitted).

17 **V. PARTIES**

18 13. Petitioner Ruben Moreno Sancehz is a citizen of Venezuela who has been in
19 immigration detention since February 17, 2026. After Petitioner was arrested in Charlotte, North
20 Carolina, ICE did not set bond. Petitioner has resided in the United States since December 7,
21 2023. He has been detained at the Irwin County Detention Center since March 4, 2026. After
22 Petitioner was arrested. ICE did not set bond. Petitioner has resided in the United States
23
24

1 since December 7, 2023. To date, Petitioner, remains detained at the Irwin County Detention
2 Center.

3 14. Respondent TODD LYONS is the Acting Director of Immigration and Customs
4 Enforcement (ICE). As such, Respondent Lyons is responsible for the oversight of ICE
5 operations and the head of the federal agency responsible for all immigration enforcement in the
6 United States. Respondent Lyons is named in his official capacity.

7 15. Respondent FIELD OFFICE DIRECTOR is the Director of the Atlanta Field
8 Office of ICE's Enforcement and Removal Operations division. As such, the Field Office
9 Director is Petitioner's immediate custodian and is responsible for Petitioner's detention and
10 removal. He or She is named in his or her official capacity.

11 16. Respondent MARKWAYNE MULLIN is the Secretary of the Department of
12 Homeland Security. She is responsible for the implementation and enforcement of the
13 Immigration and Nationality Act (INA), and oversees ICE, which is responsible for Petitioner's
14 detention. Mr. Mullin has ultimate custodial authority over Petitioner and is sued in her official
15 capacity.

16 17. Respondent DEPARTMENT OF HOMELAND SECURITY (DHS) is the federal
17 agency responsible for implementing and enforcing the INA, including the detention and
18 removal of noncitizens.

19 18. Respondent PAMELA BONDI is the Attorney General of the United States. She
20 is responsible for the Department of Justice, of which the Executive Office for Immigration
21 Review and the immigration court system it operates is a component agency. She is sued in her
22 official capacity.

23

24

1 19. Respondent WARDEN of Irwin County Detention Center is employed by Lasalle
2 Corrections as Warden of the Irwin County Detention Center, where Petitioner is detained. He or
3 she has immediate physical custody of Petitioner. He or she is sued in his or her official capacity.

4 20. Respondent EXECUTIVE OFFICE FOR IMMIGRATION REVIEW (EOIR) is
5 the federal agency responsible for implementing and enforcing the INA in removal proceedings,
6 including for custody redeterminations in bond hearings.

7 **VI. EXHAUSTION AND FUTILITY**

8 21. No statute imposes an exhaustion requirement for habeas petitions under 28
9 U.S.C. § 2241 in this context. Any prudential exhaustion is excused because Immigration Judges
10 are bound by *Matter of Yajure Hurtado*, 29 I&N Dec. 216 (BIA 2025), and have been declining
11 bond jurisdiction for entrants without inspection, rendering any motion futile.

12 22. On January 13, 2026, Chief Immigration Judge Teresa L. Riley issued nationwide
13 guidance instructing all immigration judges that: “*Maldonado Bautista* is not a nationwide
14 injunction and does not purport to vacate, stay or enjoin *Yajure Hurtado*.” (**Exhibit C, January**
15 **13, 2026 Email from Chief Immigration Judge Teresa Riley**). In the January 13, 2026 email,
16 Immigration judges are instructed to follow the BIA’s decision in *Matter of Yajure Hurtado* as
17 binding precedent. Accordingly, guidance from the Chief Immigration Judge states that the
18 *Maldonado Bautista v. Santacruz* “declaratory judgment” is not binding and does not have the
19 authority to compel specific action.

20 23. On March 6, 2026, the Ninth Circuit Court of Appeals issued an Emergency Stay,
21 holding that the *Maldonado Bautista v. Santacruz* holding is stayed. (**Exhibit D, Emergency**
22 **Stay Order 3/6/2026**).

1 removable under 8 U.S.C. § 1182(a)(6)(A)(i) (INA § 212(a)(6)(A)(i)) and under 8 U.S.C. §
2 1182(a)(7)(A)(i) (INA § 212(a)(7)(A)(i)) **Exhibit A (Notice to Appear)**

3 29. Petitioner is not a flight risk, given his community ties and demonstrated history
4 of compliance with immigration reporting requirements.

5 30. On February 17, 2026, ICE took Petitioner into custody at his routine ICE check
6 in appointment in the Durham, North Carolina ICE Office. Petitioner was not accused of the
7 commission of any crime. ICE transported Petitioner to the Irwin County Detention Center and
8 has kept Petitioner detained without a bond hearing at the Irwin County Detention Center.

9 31. DHS has never processed Petitioner for § 235 admission or expedited removal
10 under § 235(b)(1).

11 32. Petitioner has not requested a custody redetermination, because DHS and
12 the BIA have taken the position that he is categorically ineligible for bond because he is an
13 “applicant for admission” under § 235(b)(2)(A). Requesting a custody redetermination would be
14 futile. Upon information and belief, if an IJ hearing occurred, the IJ would invoke *Yajure* and
15 ignore *Maldonado Bautista*.

16 VIII. LEGAL FRAMEWORK

17 33. Section 236(a) of the INA, 8 U.S.C. § 1226(a), governs discretionary civil
18 immigration detention for “any alien” arrested and detained pending a decision on removal,
19 unless § 236(c) applies. It authorizes release on bond and gives Immigration Judges custody
20 redetermination authority by regulation. See 8 C.F.R. §§ 1236.1(d)(1), 1003.19(a).

21 34. Section 236(a) of the INA, 8 U.S.C. § 1226(a), governs discretionary civil
22 immigration detention for “any alien” arrested and detained pending a decision on removal,
23
24

1 unless § 236(c) applies. It authorizes release on bond and gives Immigration Judges custody
2 redetermination authority by regulation. See 8 C.F.R. §§ 1236.1(d)(1), 1003.19(a).

3 35. Section 235(b)(2) of the INA, 8 U.S.C. § 1225(b)(2), governs detention in the
4 inspection context and the classes designated for expedited removal—settings that occur at or
5 near the border and, by regulation, only for individuals described in published Federal Register
6 notices. See 8 C.F.R. § 235.3(b)(1)–(2). Interior expedited removal is limited to certain
7 encounters and, at most, to those who cannot show two years’ continuous presence. 84 Fed. Reg.
8 35,409 (July 23, 2019). Individuals—like Petitioner—who were arrested in the interior after
9 entry and placed in § 240 proceedings are detained, if at all, under § 1226(a).

10 36. In *J.A.M. v. Streeval et al*, No. 4:25-cv-342 (M.D. Ga. Nov. 1, 2025), the court
11 rejected the government’s *Yajure* theory and held that § 1226(a) governs interior arrests charged
12 into § 240, not § 1225(b)(2). The court concluded that “aliens who are found in the country
13 unlawfully and are arrested, an immigration officer or immigration judge has the discretion, after
14 considering all the circumstances, not to detain such aliens and instead grant them release on
15 bond” subject to exceptions for mandatory detainees delineated in 8 U.S.C. § 1226(c). *Id.* at 10.
16 The court found *Matter of Yajure Hurtado* “unpersuasive,” aligned with the already large and
17 still growing district-court consensus, and concluded the petitioner is entitled to discretionary
18 bond under § 1226(a).

19 37. The same statutory reading has now been adopted in class-wide relief.
20 In *Maldonado Bautista v. Santacruz*, the court held that detention for interior arrests charged into
21 § 240 is governed by § 1226(a) and not § 1225(b)(2), and it directed that class members be
22 afforded individualized bond hearings before an immigration judge under § 236(a) on a prompt
23 timeline. No. 5:25-cv-01873-SSS-BFM (C.D. Cal. Nov. 20, 2025) (partial summary
24

1 judgment); *id.* (Nov. 25, 2025) (class certification). That class relief confirms the statute’s two-
2 track structure: § 235 governs the inspection/expedited-removal track; § 236(a) governs
3 detention during § 240 removal proceedings for long-present interior arrestees.

4 **General Principles**

5 38. The “equitable and flexible nature of habeas relief” affords district courts
6 significant discretion over the appropriate remedies for violations of law and the Constitution.
7 *Velasco Lopez v. Decker*, 978 F.3d 842, 855 (2d Cir. 2020); *see also Schlup v. Delo*, 513 U.S.
8 298, 319 (1995) (“[H]abeas corpus is, at its core, an equitable remedy”). This Court should order
9 a remedy that fully addresses the statutory and constitutional violations in this case and is
10 efficient to administer. *Carafas v. LaVallee*, 391 U.S. 234, 238 (1968) (the habeas statute “does
11 not limit the relief that may be granted to discharge of the applicant from physical custody. Its
12 mandate is broad with respect to the relief that may be granted”).

13 **Immediate Release**

14 39. Release is the customary remedy in habeas proceedings. *See* 28 U.S.C. § 2243
15 (the habeas should shall “dispose of the matter as law and justice require.”); *Preiser v.*
16 *Rodriguez*, 411 U.S. 475, 484 (1973) (finding “that the traditional function of the writ is to
17 secure release from illegal custody”). The most appropriate remedy in a case like this, where
18 Petitioner was has been detained in violation of both the INA and due process, is release on
19 recognizance without further conditions of release. *See Ambroladze v. Maldonado*, No. 26-CV-
20 00474 (HG), 2026 WL 280182, at *3 (E.D.N.Y. Feb. 3, 2026) (given that the typical remedy for
21 unlawful detention is release, “the government's ongoing detention of Petitioner, in the face of
22 yet another complete failure of process, entitles him to immediate release.”)

1 40. Dozens of courts across the country have agreed. *See, e.g., Munoz Materano v.*
2 *Arteta*, 2025 WL 2630826, at *20 (S.D.N.Y. Sept. 12, 2025) (ordering immediate release);
3 *Chipantiza-Sisalema v. Francis*, 2025 WL 1927931, at *4 (S.D.N.Y. July 13, 2025) (same);
4 *Rueda Torres v. Francis*, No. 25-cv-8408, 2025 WL 3168759, at *6 (S.D.N.Y. Nov. 13, 2025)
5 (same); *Cifuentes v. Soto*, No. 25-cv-18029, 2025 WL 3771380, at *4 (D.N.J. Dec. 31, 2025)
6 (same); *Gonzalez Centeno v. Lowe*, No. 3:25-cv-2518, 2026 WL 94642, at *4 (M.D. Pa. Jan. 13,
7 2026) (same); *Feisal O. v. Noem*, No. 26-cv-81, 2026 WL 92857, at *3 (D. Minn. Jan. 13, 2026)
8 (same); *Garcia Covarrubias v. Holston*, No. 2:25-cv-02445, 2026 WL 25970, at *4 (D. Nev.
9 Jan. 5, 2026) (same) *Kenzhebaev v. Noem*, No. 1:25-cv-1786, 2025 WL 3737975, at *9 (W.D.
10 Mich. Dec. 29, 2025) (same); *Kobilov v. O'Neill*, No. 26-cv-0058, 2026 WL 73475, at *3 (E.D.
11 Pa. Jan. 8, 2026) (same, finding a bond hearing unnecessary where there was no indication
12 petitioner was a danger or flight risk); *Ortega-Aguirre v. Noem*, No. 4:25-cv-04332, 2025 WL
13 3684697, at *4 (S.D. Tex. Oct. 10, 2025) (same); *Bumbila Iza v. Arnott*, No. 6:25-cv-3392, 2026
14 WL 67152, at *5 (W.D. Mo. Jan. 8, 2026) (same); *see also Mata Velasquez v. Kurzdorfer*, 794 F.
15 Supp. 3d 128, 154 (W.D.N.Y. 2025) (ordering release and that petitioner could not be detained
16 without a pre-deprivation hearing); *Gil v. Warden, Otay Mesa Det. Ctr.*, No. 3:25-cv-03279,
17 2025 WL 3675153, at *4 (S.D. Cal. Dec. 17, 2025) (same); *Sekhon v. Warden of Golden State*
18 *Annex Det. Facility*, No. 1:25-cv-1692, 2026 WL 74151, at *4 (E.D. Cal. Jan. 9, 2026) (same).

19 41. Release is the only appropriate remedy for the constitutional violations in this
20 case, including the lack of pre-deprivation notice or individualized review before Petitioner's
21 arrest, which cannot be remedied by a post-deprivation hearing. *See Alfaro Herrera v. Baltazar*,
22 No. 1:25-cv-04014, 2026 WL 91470, at *13 (D. Colo. Jan. 13, 2026) (given that petitioner had
23 been previously released by ICE and holding a bond hearing would prolong his unlawful
24

1 detention, “[r]espondents’ violations of Petitioner’s rights are best remedied by ordering
2 Petitioner’s immediate release from immigration detention.”); *Qasemi v. Francis*, No. 25-cv-
3 10029, 2025 WL 3654098 at *14, (S.D.N.Y. Dec. 17, 2025) (a bond hearing would not be an
4 adequate remedy for the due process violations in petitioner’s sudden arrest and detention);
5 *Noyola v. Bondi*, --- F.Supp.3d ---, No. 1:26-CV-405-RP, 2026 WL 607266, at *5 (W.D. Tex.
6 Mar. 4, 2026) (same); *Bethancourth v. Tate*, --- F.Supp.3d ---, No. 4:26-CV-01169, 2026 WL
7 638482, at *5 (S.D. Tex. Mar. 6, 2026) (same, where the government alleged no changed
8 circumstances justifying re-detention); *Crespo Tacuri v. Genalo*, No. 25-cv-06896, 2026 WL
9 35569, at *7 (E.D.N.Y. Jan. 6, 2026) (finding that post-deprivation review cannot remedy the
10 due process violation of detaining petitioner with no process or individualized assessment);
11 *Diallo v. Trump*, 25-cv-2012-JE-JMP (W.D.L.A. Mar. 5, 2026) (granting immediate release as
12 the appropriate remedy for illegal re-detention, and in light of medical hardship petitioner was
13 suffering in detention); *Moctezuma Macias v. Henkey*, No. 1:25-CV-00741-BLW, 2026 WL
14 18809, at *5 (D. Idaho Jan. 2, 2026) (given that the government’s repeated use of unlawful
15 detention policies across the country, causing petitioners to “sit in jail waiting for a judicial
16 decision,” the court would order immediate release instead of causing additional delay through a
17 bond hearing); *see also Garrison G. v. Bondi*, No. 26-CV-172, 2026 WL 157677, at *4 (D.
18 Minn. Jan. 17, 2026) (finding that ICE’s violation of the Fourth Amendment by entering
19 petitioner’s home without a warrant or consent alone also warranted immediate release).

20 **Bail Hearing by the Habeas Court**

21 42. In the alternative, the habeas court can hold its own custody hearing and
22 determine whether ICE can prove by clear and convincing evidence that Petitioner must remain
23 in custody, or whether he may be released on recognizance, an appropriate bond in light of his
24

1 ability to pay, or supervised release. This is a more efficient and effective remedy than ordering
2 an immigration judge to conduct a hearing, which may lead to additional enforcement
3 proceedings and delays before the unlawful detention in this case is remedied. *See L.G.M. v.*
4 *LaRocco*, 788 F.Supp.3d 401, 405-07 (E.D.N.Y. 2025) (ordering a bond hearing held by the
5 habeas court, as this would be more efficient than delegating the task to the agency and ensure
6 proper constitutional oversight); *Flores-Powell v. Chadbourne*, 677 F.Supp.2d 474-78 (D. Mass
7 2010) (granting petition and discussing at length habeas court’s equitable power, which includes
8 power to hold its own bail hearing); *see also Santos v. Lowe*, No. 1:18-CV-1553, 2020 WL
9 4530728, at *4 (M.D. Pa. Aug. 6, 2020) (finding that habeas court-ordered bond hearing was not
10 individualized and did not comport with due process, and granting motion to enforce to hold the
11 court’s own bond determination); *Ramirez v. Watkins*, No. 10-cv-126, 2010 WL 6269226, at
12 *19-20 (S.D. Tex. Nov. 3, 2010), *rep. and rec not reached*, (S.D. Tex. Dec. 8, 2010) (dismissing
13 case as moot) (recommending the habeas court conduct its own bail inquiry, as it would be more
14 efficient, ensure supervision over any compliance issues, and avoid further proceedings).

15 **Enforcement Problems in Court-Ordered Bond Hearings**

16 43. A bond hearing by an immigration judge (IJ) is not the most appropriate or
17 efficient use of this court’s equitable authority. Recent actions by ICE attorneys and
18 immigration judges during and after habeas court-ordered bond hearings have necessitated
19 enforcement proceedings across the country, creating significant extra work for the court and the
20 parties while petitioners’ unlawful detention continues.

21 **A. ICE’s Use of the “Automatic Stay” of an IJ Bond Grant**

22
23 44. In the last year, ICE has frequently appealed the IJ’s grant of bond to the Board
24 of Immigration Appeals (BIA) and invoked the “automatic stay” regulation, 8 C.F.R. §

1 1003.19(i)(2). This stay, which keeps the petitioner detained despite an IJ bond grant, was rarely
2 invoked in prior years but has now become common. Dozens of habeas courts have ruled that
3 the automatic stay violates due process and have ordered Respondents to allow a petitioner to
4 post his bond. *See, e.g., Merchan-Pacheo v. Noem*, No. 1:25-cv-03860, 2026 WL 88526, at *16
5 (D. Colo. Jan. 12, 2026) (finding automatic stay violates due process); *M.P.L. v. Arteta*, No. 25-
6 cv-5307, 2025 WL 3288354, at *7 (S.D.N.Y. Nov. 25, 2025) (same, noting that “at least 50
7 district court decisions across the United States in the last 6 months alone” have found that
8 DHS’s use of the automatic stay provision violates or likely violates due process, and collecting
9 cases at n.6); *see also Garvey v. Noem*, No. 6:26-CV-3109-MDH, 2026 WL 612302, at *3 (W.D.
10 Mo. Mar. 4, 2026) (granting TRO and ordering immediate release given the “blatant absence of
11 procedural due process” in ICE’s use of automatic stay); *Otilio B.F. v. Andrews*, No. 1:25-cv-
12 01398, 2025 WL 3152480, at *11 (E.D. Cal. Nov. 11, 2025) (finding the automatic stay likely
13 violates due process and granting preliminary injunction); *Guasco v. McShane*, No. 1:25-cv-
14 1650, 2025 WL 3270201, at *2 (M.D. Pa. Nov. 24, 2025) (noting that other habeas courts have
15 “assailed the Government’s practice of acting both as the prosecution and the judge in making a
16 unilateral and unreviewed decision as to detention”) (internal citation omitted).

17 **B. ICE Unilaterally Imposing GPS Ankle Monitors and Conditions of Release Ordered**
18 **By No Judge**

19 45. In other cases, ICE has applied onerous electronic GPS ankle monitors or other
20 unnecessary conditions of release that neither the habeas court nor the immigration court
21 ordered, requiring additional litigation. *See Gonzalez Centeno v. Lowe*, No. 3:25-cv-2518, 2026
22 WL 196513, at *2 (M.D. Pa. Jan. 26, 2026) (ordering ICE to remove ankle monitor it imposed
23 after habeas court had ordered immediate release, noting “the government continues to provide
24 unsupported or even Kafkaesque arguments to justify DHS's noncompliance with court orders”);

1 *Diahn v. Lowe*, No. 1:24-cv-1936, 2026 WL 84576, at *5 (M.D. Pa. Jan. 12, 2026) (ordering ICE
2 to remove ankle monitor it had unilaterally imposed after IJ granted bond without further
3 conditions); *Montes Aguillon v. Bondi*, No. EP-26-CV-71-KC, 2026 WL 531899, at *2 (W.D.
4 Tex. Feb. 25, 2026) (same, and collecting cases); *Batz Barreno v. Baltasar*, --- F.Supp.3d. ---,
5 No. 25-CV-03017, 2026 WL 120253, at *3 (D. Colo. Jan. 15, 2026) (same, noting that removal
6 of the ankle monitor was required by “[f]undamental fairness and compliance with the rule of
7 law” and the general notion of “fairness and fairplay”); *Orellana Juarez v. Moniz*, 788 F. Supp.
8 3d 61, 70 (D. Mass. 2025) (same, finding this presented a “real constitutional risk” and defeated
9 the purpose of neutral third-party review of custody); *Menjivar Sanchez v. Wofford*, No. 1:25-
10 CV-01187, 2025 WL 3089712, at *9 (E.D. Cal. Nov. 5, 2025) (same, in preliminary injunction
11 context); *N- N- v. McShane*, No. 25-cv-5494, 2025 WL 3143594, at *4 (E.D. Pa. Nov. 10, 2025)
12 (finding ICE’s imposition of an ankle monitor, check-ins, and travel restrictions, which the IJ did
13 not order in setting bond, violated due process and the *Accardi* doctrine); *da Silva v. LaForge*,
14 No. 25-cv-17095, 2026 WL 45165, at *4 (D.N.J. Jan. 7, 2026) (requiring ICE to vacate its
15 imposed conditions including electronic monitoring, home confinement days, unscheduled ICE
16 home visits, and travel restrictions, as their imposition violated the bond regulations and
17 substantially prejudiced petitioner).

18 **C. Widespread Noncompliance with Federal Habeas Court Orders**

19 46. Hundreds of other cases have involved Respondents’ outright refusal, inability, or
20 failure to hold a timely bond hearing after being ordered to do so. *See Bautista v. Santacruz*, No.
21 5:25-CV-01873-SSS-BFM, 2026 WL 468284, at *4 (C.D. Cal. Feb. 18, 2026) (granting motion
22 to enforce class wide declaratory judgment that thousands of noncitizens are eligible for bond,
23 noting that “Respondents’ noncompliance with the Final Judgment has taken a toll on wrongfully
24 detained noncitizens, courts, and government and Petitioners’ attorneys,” and noting over 400

1 individual habeas petitions that were granted for individuals who should have benefited from
2 class membership); *Rodriguez Vazquez v. Hermosillo*, No. 3:25-CV-05240-TMC, 2026 WL
3 102461, at *1 (W.D. Wash. Jan. 14, 2026) (granting in part motion for further relief in similar
4 class action concerning a single ICE facility and noting that “more than 100 unlawfully detained
5 noncitizens—left with no other recourse due to Defendants’ noncompliance”— had to file
6 habeas petitions to access the bond hearings the court had already ordered for the class); *Juan*
7 *T.R. v. Noem*, No. 26-CV-0107 (PJS/DLM), 2026 WL 555601, at *1 (D. Minn. Feb. 26, 2026)
8 (habeas court attaching appendices cataloging 210 court orders the Department of Justice had
9 violated in 143 habeas cases, which included over 15 instances of failing to provide a court-
10 ordered bond hearing);¹ *Kumar v. Soto*, No. 26-cv-777, Dkt. No. 21. (D.N.J. Feb. 13, 2026)
11 (filing from the New Jersey U.S. Attorney’s Office admitting to violating 56 orders in habeas
12 cases, including holding bond hearings in the required time period, and failing to file 16 required
13 status updates); *Fernandez Alvarez v. Noem*, No. 2:26-CV-00313-SPC-DNF, 2026 WL 598614,
14 at *1 (M.D. Fla. Mar. 4, 2026) (ordering immediate release after immigration judge found
15 petitioner was detained under 8 U.S.C. 1225(b)(2) and ineligible for bond even after habeas
16 court had explicitly ordered otherwise); *Cartagena Hueso v. Soto*, No. 26-cv-1455 (ZNQ), 2026
17 WL 539271, at *3 (D.N.J. Feb. 26, 2026) (granting immediate release after Respondents failed
18 to comply with two court orders to hold a bond hearing within 10 days and to prevent

19
20 ¹ The other violations in *Juan T.R.* and other cases around the country include failure, after being ordered
21 to: prevent transfer of a petitioner out of state; return a petitioner to his or her home state; timely release a
22 petitioner; return a petitioner’s personal ID cards and property; and file status updates to the Court
23 showing compliance. *See also* Kyle Cheney, *How ICE defies judges’ orders to release detainees, step by*
24 *step*, Politico, Feb. 10, 2026, available at [https://www.politico.com/news/2026/02/10/ice-immigration-](https://www.politico.com/news/2026/02/10/ice-immigration-detention-court-orders-00771727)
[detention-court-orders-00771727](https://www.washingtonpost.com/immigration/2026/03/10/trump-immigration-detention-minneapolis-courts/); Maria Sacchetti, *How ICE officers defied court orders as immigrant*
arrests soared in Minneapolis, Washington Post, March 9, 2026, available at
[https://www.washingtonpost.com/immigration/2026/03/10/trump-immigration-detention-minneapolis-](https://www.washingtonpost.com/immigration/2026/03/10/trump-immigration-detention-minneapolis-courts/)
[courts/](https://www.washingtonpost.com/immigration/2026/03/10/trump-immigration-detention-minneapolis-courts/).

1 petitioner's transfer out of state).

2 47. Government attorneys have also tried to disavow responsibility for ensuring their
3 clients will comply with future court orders. *See, e.g., Gomez Rodriguez v. Noem*, No. 2:25-cv-
4 01115, 2025 WL 3771268, at *2 (M.D. Fla. Dec. 31, 2025) (noting that “[i]n other cases before
5 this Court, the respondents have claimed they cannot direct the EOIR when to conduct a bond
6 hearing,” and ordering release if the government does not comply); *Khogiani v. Raycraft*, No.
7 25-cv-13744, 2025 WL 3753532, at *4 (E.D. Mich. Dec. 29, 2025) (noting the government’s
8 argument that given the “overwhelming caseload” in the immigration courts, it likely could not
9 comply with an order to hold a bond hearing within five days, but re-setting a short deadline
10 anyway given the petitioner’s five months of unlawful detention); *Vargas v. Bondi*, No. 25-cv-
11 1023, 2025 WL 3300446, at *5 (W.D. Tex. Nov. 12, 2025), *report and recommendation*
12 *adopted*, No. 25-cv-1023, 2025 WL 3300141 (W.D. Tex. Nov. 26, 2025) (recommending
13 immediate release, in part because respondents argued that “if this Court ordered a hearing, it
14 would require the immigration judge to do that which, in light of BIA precedent, the judge would
15 not believe he had any authority to do”); *O.F.C. v. Almodovar*, No. 25-cv-9816, 2026 WL 74262,
16 at *16 (S.D.N.Y. Jan. 9, 2026) (expressing concern that at oral argument, government counsel
17 refused to guarantee that in a court-ordered bond hearing, ICE would not invoke the automatic
18 stay or argue that the IJ lacked jurisdiction to set bond; either action “would render the Court’s
19 intended relief illusory”).

20 48. As one example, government counsel in the Southern District of New York have
21 often asserted that an immigration court bond hearing is an appropriate remedy, citing *Romero*
22 *Perez v. Francis*, No. 25-cv-8112, 2025 WL 3110459 (S.D.N.Y. Nov. 6, 2025). However, that
23 case alone demonstrates why such bond hearings are often futile. In *Romero Perez*,

1 notwithstanding the court's order that a burden-shifted bond hearing be held within seven days,
2 the immigration judge refused to hold a hearing on the merits, denying bond on a lack of
3 jurisdiction. *See* No. 25-cv-8112, ECF No. 31 (Nov. 10, 2025) (first motion to enforce). After
4 petitioner filed an emergency motion to enforce, the immigration judge held a second hearing
5 and granted bond.

6 49. ICE then immediately invoked the automatic stay provision to bar the Petitioner's
7 release. *Id.*, ECF No. 33 (Nov. 13, 2025) (second motion to enforce). Only after the second
8 emergency motion was filed did ICE withdraw the automatic stay and permit release. *Id.*, ECF
9 No. 34 (status update).

10 50. This is not an isolated incident, as many cases have presented the same ICE
11 actions frustrating the court's orders. *See Diahn*, 2026 WL 84576, at *2 (explaining that
12 petitioners had filed two motions to enforce, first when ICE invoked the automatic stay after the
13 IJ granted bond, and second when ICE withdrew the stay but placed a painful ankle monitor on
14 the petitioner that the IJ had not ordered); *M.P.L.*, 2025 WL 3288354, at *1 (granting motion to
15 enforce where DHS invoked automatic stay after habeas court-ordered bond hearing); *J.M.P. v.*
16 *Arteta*, No. 25-cv-4987, 2025 WL 2984913, at *2 (S.D.N.Y. Oct. 23, 2025) (finding DHS's use
17 of multiple "one-sided" stay mechanisms to prevent release after habeas-court ordered bond
18 hearing violated due process, and granting motion to enforce).²

19 **D. Immigration Judge Failures to Conduct a Bond Hearing As Ordered**

20 51. Finally, in some cases, Immigration Judges have failed to conduct a neutral,
21 individualized bond hearing or to place the burden of proof as ordered by the habeas court. *See*
22 *Ulloa Bueno v. Soto*, No. 26-CV-896, 2026 WL 509102, at *2 (D.N.J. Feb. 24, 2026) (granting

23 _____
24 ² In *J.M.P.*, the DHS attorney at the habeas-ordered bond hearing continued to insist the IJ lacked
jurisdiction to consider bond in the face of the habeas court's order. 2025 WL 2984913, at *5.

1 immediate release after immigration judges *twice* failed to conduct a neutral bond hearing with
2 the burden on DHS: “Continued detention in the face of repeated noncompliance with explicit
3 judicial directives constitutes an ongoing deprivation of liberty without constitutionally sufficient
4 process.”); *Pedroso de Oliveira v. Freden*, No. 6:25-CV-6663 2025 WL 3554686, at *1
5 (W.D.N.Y. Dec. 11, 2025) (granting motion to enforce where “the IJ wholly failed to follow the
6 Court’s directions to require Respondents to bear the clear and convincing evidence burden of
7 proof at the bond hearing, nor did the IJ even attempt to consider alternatives to detention.”);
8 *Mathon v. Searls*, 623 F. Supp. 3d 203, 208 (W.D.N.Y. 2022) (granting motion to enforce and
9 ordering immediate release after the IJ did not hold DHS to his habeas court-ordered burden of
10 proof or properly consider alternatives to detention, and thus “failed to provide him with the
11 bond hearing to which he was constitutionally entitled”); *Akhemedov v. Pittman*, No. CV 25-
12 13734 (MCA), 2026 WL 323404, at *4 (D.N.J. Feb. 6, 2026) (ordering second bond hearing
13 because at the first court-ordered hearing, the IJ did not clearly put the burden of proof on DHS
14 as the habeas court had required); *A.D. v. Oddo*, 3:25-cv-460-SLH-MPK, Dkt. No. 40 (W.D.P.A.
15 Feb. 12, 2026) (granting motion to enforce and ordering immediate release where IJ did not
16 provide correct interpreter, then incorrectly called the petitioner “evasive” in denying bond);
17 *Said v. Noem*, 3:25-cv-938-MOC (W.D.N.C, Feb. 4, 2026) (granting TRO where immigration
18 judge’s refusal to consider testimony and declarations, or let petitioner defend himself against
19 unauthenticated assertion he had not complied with a prior condition of release, likely violated
20 due process).

21 52. These failures include immigration judges denying bond in numerous cases
22 without explanation or based on generic factors common to millions of people, such as merely
23 being undocumented or having had any criminal contact, regardless of severity or proof of
24

1 guilt.³ *See, e.g., Aguilon Fuentes v. Bondi*, No 1:26-cv-167-AJT-WEF (E.D.V.A. Feb. 24, 2026)
2 (granting motion to enforce after immigration judge denied bond based on “flight risk” factors
3 that were “so lacking in probative value” that they violated due process and would result in
4 denying bond to most undocumented persons); *Lozhkina v. Noem*, 6:26-cv-3001-MDH
5 (W.D.Mo. Feb. 10, 2026) (granting motion to enforce where immigration judge’s denial of bond
6 based on flight risk lacked any record support and had “indications of predetermined outcome
7 based on disagreement over [habeas court’s] previous order”); *Picado v. Hyde*, 26-cv-65-JJM-
8 PAS (D.R.I. Feb. 9, 2026) (granting immediate release where Picado had “two bond hearings
9 that two separate judges have found to be deficient,” including an immigration judge finding
10 that an uncorroborated police report that Picado was speeding constituted clear and convincing
11 evidence he was a danger to the community); *Santos v. Lowe*, No. 1:18-cv-1553, No. 2020 WL
12 4530728, at *3 (M.D. Pa. Aug. 6, 2020) (after court-ordered bond hearing for § 1226(c)
13 prolonged detention claim, finding that “[m]echanistic reliance on factors that are common to all
14 1226(c) detainees will not suffice”); *Luciano-Jimenez v. Doll*, 543 F. Supp. 3d 69, 72 (M.D. Pa.
15 2021) (finding court-ordered bond hearing was not individualized and granting federal court
16 hearing); *see also Chi Thom Ngo v. I.N.S.*, 192 F.3d 390, 398 (3d Cir. 1999) (“The fact that
17 some aliens posed a risk of flight in the past does not mean that they will forever fall into that
18 category. Similarly, presenting danger to the community at one point by committing crime does
19 not place them forever beyond redemption. Measures must be taken to assess the risk of flight
20 and danger to the community on a current basis.”).

21 53. To avoid a wasteful round of enforcement proceedings – or even two – while
22 unlawful detention continues, this court should grant release or hold any bail hearing itself.

23 _____
24 ³ *See* Kyle Cheney, *Judges keep ordering immigration hearings – but say the results are a sham*, Politico, Mar. 6,
2016, available at <https://www.politico.com/news/2026/03/06/immigration-case-hearings-judges-00815660>.

1 **E. Strong Procedural Protections If the Court Orders an Immigration Court Bond**
2 **Hearing**

3 54. As a final option, this court could grant an immigration court bond hearing that
4 follows clear guidelines and keep jurisdiction over this case to until satisfied that an
5 individualized, constitutionally adequate review was held. *See Hernandez-Fernandez v. Lyons*,
6 No. 5:25-CV-00773, 2025 WL 2976923, at *10 (W.D. Tex. Oct. 21, 2025) (holding that the
7 proper remedy given the due process concerns is a bond hearing where the government bears the
8 burden of proof); *Gomez v. Olson*, No. 25-cv-15300, 2025 WL 3768242, at *6 (N.D. Ill. Dec.
9 31, 2025) (noting the “overwhelming consensus” that the burden in a court-ordered bond
10 hearing should be placed on the government).

11 55. The court should order that in that hearing, DHS bears the burden of proof to
12 justify continued detention by clear and convincing evidence, and DHS is barred from invoking
13 the automatic stay regulation if the immigration judge grants bond. *See, e.g., O.F.C.*, 2026 WL
14 74262, at *16 (to ensure due process, ordering DHS to justify detention by clear and convincing
15 evidence, and enjoining DHS from invoking the automatic stay on a bond grant or arguing that
16 the IJ lacked jurisdiction); *Lopez-Romero v. Lyons*, No. 2:25-cv-01113, 2026 WL 92873, at *7
17 (D.N.M. Jan. 13, 2026) (to ensure due process, requiring the government justify detention by
18 clear and convincing evidence, and that the immigration judge consider petitioner’s ability to
19 pay bond); *Perez-Regalado v. Feeley*, No. 2:25-cv-02409, 2026 WL 36112, at *6 (D. Nev. Jan.
20 6, 2026) (enjoining ICE from invoking an automatic stay after a bond grant); *Rueda Torres*,
21 2025 WL 3168759, at *6 (same); *Garay v. Perry*, No. 1:25-CV-2215, 2025 WL 3540070, at *4
22 (E.D. Va. Dec. 10, 2025) (releasing petitioner immediately, ordering a bond hearing within 14
23 days, and enjoining ICE from arguing the IJ lacks jurisdiction or from invoking the automatic
24 stay).

1 confinement. At minimum, due process requires a prompt bond hearing at which the
2 Government bears the burden to justify detention by clear and convincing evidence.

3 **COUNT THREE**
4 **SUBSTANTIVE DUE PROCESS (U.S. Const. amend. V)**

- 5 61. Petitioner incorporates paragraphs 1 through 56 as if fully set out herein.
- 6 62. Civil detention must remain reasonably related to its purposes of ensuring
7 appearance and protecting the community. Detaining Petitioner without any individualized
8 assessment, solely on a categorical theory rejected by this Court days ago, bears no reasonable
9 relation to any legitimate aim and is excessive in relation to its purposes.

10 **PRAYER FOR RELIEF**

11 WHEREFORE, Petitioner prays that this Court grant the following relief:

- 12 1.) Assume jurisdiction over this matter;
13 2.) Issue a writ of habeas corpus directing Respondents to release Petitioner immediately.
14 3.) Alternatively, issue a writ of habeas corpus directing Respondents to provide Petitioner a
15 bond hearing under 8 U.S.C. § 1226(a) before an Immigration Judge within 7 days of the
16 Court's order, with the Government bearing the burden to establish that Petitioner is a
17 danger to the community or a flight risk, and to consider alternatives to
18 detention (consistent with *Maldonado Bautista v. Santacruz*, No. 5:25-cv-01873-SSS-
BFM (C.D. Cal. Nov. 25, 2025));
19 4.) Enjoin Respondents from transferring Petitioner outside the jurisdiction of this Court
20 during the pendency of these proceedings;
21 5.) Order Respondents to answer the petition within 3 business days; and
22 6.) Grant such other relief as the Court deems just and proper.

23 Respectfully submitted this 24th day of March, 2026.
