United States District Court
Northern District of Texas
Abilene Division

Angel Octavio Reyes Valenzuela,
Petitioner

v.

Warden, Karnes County Immigration Processing Center,
Respondent

Case No. 1:26-CV-00138-H

AMENDED PETITION FOR WRIT OF HABEAS CORPUS

I, Angel Octavio Reyes Valenzuela (A# [REDACTED]), respectfully submit this Amended Petition in compliance with the Court's Order.

I am filing this petition on my own behalf.

I am currently detained under the custody of U.S. Immigration and Customs Enforcement (ICE) and am presently held at the Karnes County Immigration Processing Center.

I have been detained since February 26, 2026. My continued detention has become prolonged and unjustified.

GROUND FOR RELIEF

1. Unlawful and Prolonged Detention

My continued detention violates my rights under the Due Process Clause of the Fifth Amendment. I have not been provided with an individualized bond hearing to determine whether my continued detention is justified.

2. Denial of Access to Legal Process

During my detention, I have been denied access to necessary legal forms and materials required to request habeas corpus relief or apply for bond. This has prevented me from fully exercising my legal rights.

3. Violation of the Right of Access to the Courts

The denial of legal resources has interfered with my ability to challenge my detention and prepare my case.

4. No Risk or Danger to the Community

I have no criminal history and do not pose a danger to the community. I also have strong family ties in the United States and a stable residence available upon release.

5. Interference with Immigration Proceedings

I have a scheduled Master Hearing on April 14, 2026. My continued detention interferes with my ability to properly prepare and participate in my immigration case.

REQUEST FOR RELIEF

WHEREFORE, I respectfully request that this Court:

- Grant this Petition for Writ of Habeas Corpus;
- Order Respondent to provide an immediate bond hearing;

- Alternatively, order my release under reasonable conditions;
- Grant any other relief the Court deems just and proper.

I declare under penalty of perjury that the foregoing is true and correct.
