Juan Gonzalez-Monreal

'26CV2550 LL DEB

Petitioner,

INJUNCTIVE RELIEF
TEMPORARY RESTRAINING ORDER

v.

Todd Blanche, U.S. Attorney General,
Markwayne Mullin, Secretary of DHS,
Todd Lyons, Director of ICE,
Christopher LaRose, Warden of Otay Mesa Detention Center
Respondent's

MOTION FOR TEMPORARY RESTRAINING ORDER,
AND
INJUNCTIVE RELIEF

TEMPORARY RESTRAINING ORDER

Petitioner-Plaintiff, Juan Gonzalez-Monreal moves this court ex parte for a Temporary Restraining Order that would among other things, require his immediate release from his ongoing detention by agents of Immigration and Customs Enforcement (ICE) and prohibit his re-arrest without pre-detention hearing before an "IJ" Immigration Judge at which ICE establishes by clear convincing evidence that his detention is necessary to prevent his flight risk or protect the public.

Background :

The evidence before this court establishes that Juan Gonzalez-Monreal is a 41-year old from Mexico who was brought to the United States by his parents at age 5 years old for a better future and education. Petitioner is seeking relief through a 42-B Cancellation of Removal and a I-485 Adjustment of Status through his LPR mother and has an approved I-130 through his wife and had an appointment on February, 2026 to obtain his "Green Card" otherwise known as Lawful Permanent Residence Card but ICE detained him on 10-20-2025 with the sole purpose of having Petitioner miss his appointment violating his Due Process. Petitioner attended School in the United States and only knows History of the United States and has Pledge his Allegiance to the Flag of the United States of America making him a United States Citizen through Cultural Assimilation. Petitioner did not graduate High School due to having to work to help his family with the house expenses. As a young man Petitioner worked as Plumber and gave his mother the financial support she needed. Petitioner came to face the law because Petitioner did not have a drivers license when stopped on his way to work and was given a traffic violation in 2007. On approximately 2017 ten years later Petitioner suffered an arrest for a domestic dispute and on 2023 had a reckless driving infraction. From there on Petitioner has remained as always a hard working

family man and a responsible father to his 2 U.S.C. Children of ages 9 and 15. Petitioner received a letter by ICE to show up in person on 10-20-2025 which he did only to be arrested illegally by ICE and processed into ICE custody. Petitioner was wrongfully detained/arrested by ICE which amounted to violating his Due Process of the 14th Amendment of the U.S. Constitution. Petitioner is the sole caregiver to his sick Mother who has Cancer and needs Petitioner to care for her. Furthermore, Juan's mother has been diagnosed with terminal Liver Cancer, presenting an Urgent Humanitarian reason for his release and on top the Due Process violation done against him by ICE since Petitioner had an ongoing Legal Process to obtain his Lawful Permanent Residence Status here in the United States. Not only is Juan's 6 month detention unjustifiably prolonged, there is also a compelling Humanitarian basis for granting this Petition now that his mother has been diagnosed with terminal liver cancer and the indisputably Due Process violation by ICE in arresting Petitioner without a arrest warrant. Juan's family cannot care for his mother and Juan move this court here for a chance to care for his mother during this life and death stage. Petitioner here request that this Honorable Court to approve this Habeas Corpus and Temporary Restraining Order since the "IJ" Court Judges are under pressure from the "DOJ" Department of Justice and President Donald J. Trump to deny bonds and Asylum cases. There is evidence that establishes this information that President Donald J. Trump through the DOJ has fired over 100 Immigration Judges over the United States. That is why Petitioner request that this Honorable Court through his Habeas Corpus be approved for a Immediate Release. Petitioner counts with family members whom are all U.S.C from the U.S. And need Petitioner so they can care for them. Petitioner request that this court grant the Temporary Restraining Order so Respondent's cannot transfer Petitioner out of the Jurisdiction of the court or from Otay Mesa Detention Center until the Habeas Corpus is adjudicated. My health has worsen because I have developed depression, anxiety, and major stress disorder because of the prolonged detention I have spent in custody and not being

able to be by my immediate family. I have not received any incident reports for misbehavior since I have been detained here at Otay Mesa Detention Center and have been in good behavior while in ICE custody. I am requesting for this Temporary Restraining Order to be put in place so ICE won't be able to transfer me or deport me before this Habeas Corpus is adjudicated.
