V.

CASE NO: 26-CV-2625

WARDEN JEREMY CASEY

MOTION REQUESTING A RE-ISSUANCE OF ORDER GRANTING HABEAS

Petitioner HERRERA RODRIGUEZ LINO PASTOR A[redacted] respectfully moves this court to re-issue an order to the immigration court specifically articulating and enumerating the conditions for a bond hearing pursuant to the court order rendered on May 4th, 2026 by Hon. TODD ROBINSON, United States District Judge. See Exhibit A

On May 18th, 2026, petitioner appeared in front of the immigration Judge ZANDER STUART, who stated that the petitioner was considered as a flight risk and was not given enough time to show his sponsorship documents. Honorable immigration judge, through this letter, I respectfully request reconsideration of the denial of bond in my case. I currently maintain an active asylum case that was properly filed within the time of my arrival in accordance with the immigration laws of the United States.

Additionally, I possess a valid work permit, I keep my tax filings current, and I have demonstrated that I am a responsible person who respects the laws of this Country and do not have any criminal record, I have never committed any type of offense, nor have any infractions related to driving under the influence of alcohol, controlled substances, or any traffic violations. My record clearly demonstrates good moral character and compliance with the law. Additionally, I have a sponsor who is willing to

support me and assist me throughout my immigration process. This sponsor is an American citizen and my employer, with whom I maintain a stable employment relationship and who can attest to my responsibility, community ties and commitment to appearing before the Court whenever required.

I also maintain a stable residence, supported by a valid lease agreement under my name, which further demonstrates my strong ties to the community and the absence of any flight risk.

Pursuant to Section 236(a) of the Immigration and National Act (INA §236(a)), detention and bond determinations must consider whether the individual represents a danger to the community or a flight risk. In this case, the evidence presented clearly demonstrates that I, Herrera Rodriguez Lino Pastor, do not represent either of these factors.

For all these reasons, I respectfully request that the Court reconsider the bond denial and grant a reasonable bond or, alternatively, order my release under any conditions the Court deems appropriate.

I sincerely appreciate your time and consideration.

Respectfully,

HERRERA RODRIGUEZ LINO PASTOR
