Case No. 3:26-cv-02650-DMS-VET

JOINT STATUS REPORT AND STATUS REPORT OF PETITIONER

Hon. Dana M. Sabraw
United States District Judge

[1] Respondent David J. Venturella is substituted for former Respondent Todd M. Lyons, pursuant to Fed. R. Civ. P. 25(d).

Petitioner Yordani Tellez Torres and Respondents Jeremy Casey, Warden of the Imperial Regional Detention Facility, Jesus Rocha, the Acting Field Office Director of United States Immigration and Customs Enforcement, ICE San Diego Field Office, David J. Venturella, the Senior Official Performing the Duties of the Director, United States Immigration and Customs Enforcement, Markwayne Mullin, the Secretary of the United States Department of Homeland Security, and Todd W. Blanche, the Acting Attorney General of the United States, through their respective counsel of record, submit their joint status report to the Court, pursuant to the June 4, 2026 Order of the Hon. Dana M. Sabraw of the United States District Court for the Southern District of California. The Court's June 4, 2026 Order directed the Respondents to "arrange an individualized bond hearing for Petitioner before an immigration judge within fourteen (14) days of this Order unless Petitioner requests a continuance[,]" at which "the Government shall have the burden of proving by clear and convincing evidence that Petitioner poses a danger to the community or a risk of flight if released on bond." The Order directed the parties, through their respective attorneys of record, to "file a Joint Status Report within twenty-one (21) days of this Order's entry confirming Petitioner received a bond hearing and setting out the results thereof." Mr. Tellez Torres, through counsel, further submits a separate status report to the Court, which addresses additional matters concerning the processing of his payment of his $5,000 bond.

JOINT STATUS REPORT OF PARTIES

On June 16, 2026, a federal Immigration Judge in Imperial, California convened a bond hearing in Mr. Tellez Torres' case. After bond proceedings concluded, the Immigration Judge authorized Mr. Tellez Torres' release from the Respondents' custody on a $5,000 bond. The Order of the Immigration Judge stated that federal immigration officials could impose "Alternatives to Detention (ATD) at DHS discretion." The Order of the Immigration Judge required Mr. Tellez Torres to "surrender his passport to DHS prior to release from detention[,]" and to "agree[] that DHS may keep his passport until his immigration removal proceedings have been completed." Government counsel

reserved appeal of the Order of the Immigration Judge.

PETITIONER'S STATUS REPORT

On or about June 17, 2026, Mr. Tellez Torres, through a bond obligor, attempted to post the $5,000 bond electronically through the ICE CeBonds (Cash Electronic Bonds Online) program. The ICE CeBonds program initially rejected the posted bond, due to Government counsel's reservation of appellate rights and the inability of federal immigration officials to locate Mr. Tellez Torres' Cuban passport, which he surrendered to the United States Department of Homeland Security on May 17, 2025. However, both issues were resolved, and Mr. Tellez Torres, through a bond obligor, re-posted the $5,000 bond on Monday, June 22, 2026.

Mr. Tellez Torres awaits his release from the Respondents' custody on a $5,000 bond, as of the date of this status report. Due to his imminent release from detention, Mr. Tellez Torres, through counsel, respectfully reserves the option to submit a second status report to the Court regarding his custodial status on or before July 2, 2026.

Respectfully Submitted,

Dated: June 25, 2026
