DECLARATION OF VU CAM

I, Vu Cam, Acting Unit Chief (UC), Removal Management Division (RMD), RIO (Removal International Operations), Africa, Enforcement and Removal Operations (ERO), U.S. Immigration and Customs Enforcement (ICE), Department of Homeland Security (DHS), declare as follows pursuant to the authority of 28 U.S.C. § 1746:

1. The RMD is located at ICE Headquarters in Washington, DC and provides guidance and assistance to ICE officers attempting to obtain travel documents for foreign nationals who were ordered removed. The RMD collaborates with embassies and consulates, as well as with interagency and international networks, to facilitate the efficient removal of aliens from the United States, provides nationwide post-order (POCR) guidance, implements policy and procedures, and is responsible for providing case management support for aliens subject to a final order of removal.

2. In my current position as Acting Unit Chief, I am responsible for providing oversight and supervision of Detention and Deportation Officers that coordinate with the 25 ERO Field Offices to support case management and facilitate the removal of aliens who have final orders from the United States. My specific portfolio focuses on the removal of aliens from Africa with final orders of removal.

3. I am writing this declaration to update the court on the removal of the Petitioner,

A.M.A.S. The Petitioner was under a final order of removal issued by an immigration judge.

4. The Petitioner was removed pursuant to a Third Country Removal Agreement that the Department of State signed with the Government of Equatorial Guinea (“Equatorial Guinea”) on October 23, 2025.

5. On October 2, 2025, Equatorial Guinea provided diplomatic assurances that the aliens removed from the United States pursuant to the Third Country Removal agreement will not be subjected to persecution or torture. On November 21, 2025, the Department of State determined that the diplomatic assurances were credible.

6. RMD received notification that the Petitioner’s name was accepted by the Equatorial Guinea as per our prior elevation request pursuant to the Third Country Removal agreement that the Department of State negotiated and signed with Equatorial Guinea.

7. Given the Petitioner’s acceptance, ICE removed the Petitioner to Equatorial Guinea on April 28, 2026. His acceptance by Equatorial Guinea and placement on the manifest for this charter served as the travel document in the Petitioner’s removal.

8. ICE will followed the March 30th, 2025 memorandum *Guidance Regarding Third Country Removals* to effectuate the Petitioner’s removal.
