UNITED STATES DISTRICT COURT

SOUTHERN DISTRICT OF CALIFORNIA

HAOXU YIN, Petitioner, v. MARKWAYNE MULLIN, Secretary of the Department of Homeland Security, et al., Respondents.	Case No.: 25-cv-02668-GPC-GC **JOINT STATUS REPORT**

Pursuant to the Court's June 16, 2026 Order, ECF No. 9, the parties jointly provide this status report informing the Court that Petitioner's removal to China is still pending. The parties have met and conferred regarding this joint status report and wish to provide the Court their respective positions on this matter:

PETITIONER'S POSITION

Mr. Yin requests this Court either grant his petition or set a hearing for argument and further information from Respondents. It has been almost seven months since Mr. Yin's removal order became final on December 5, 2025. Mr. Yin's deportation officer declared on June 9, 2026, that DHS "expects to receive the travel document in the very near future,"

and thus had scheduled a flight for him "to be removed on or before June 26, 2026." ECF No. 7-1 at 2–3. DHS did not receive the travel document and thus does not have a scheduled flight for him. In light of the evidence Mr. Yin submitted regarding China's lack of cooperation generally, and issues in his specific case, this Court should grant his petition and order Mr. Yin's release from detention on conditions set by Respondents until Respondents are able to successfully schedule his deportation.

RESPONDENTS' POSITION

Respondents are still working diligently to effectuate Petitioner's removal to China. Recently, the People's Republic of China confirmed Petitioner's identify for a travel document but have not yet sent his travel document to Respondents. Nonetheless, Respondents expect to receive a travel document within a few weeks. Respondents therefore respectfully request the Court stay the proceedings one more month to provide Respondents with additional time to obtain Petitioner's travel document.
