

Otay Mesa Detention Center – San Diego

**U.S. DISTRICT COURT
SOUTHERN DISTRICT OF CALIFORNIA**

RE: Habeas Corpus #: 3:26-cv-03092-AGS-MSB
(District Judge Andrew G. Schopler)

Honorable Federal Judge:

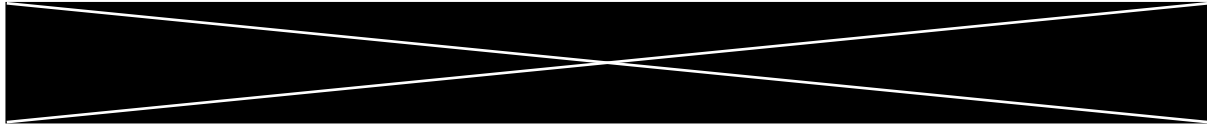

My name is **Silakov, Sergei**, I was born on [REDACTED], in Lyudinovo, Kaluga Region, Russia, Russian nationality, my A# [REDACTED]. With great respect, I am writing this letter to you in support of my Habeas Corpus petition, were I request my immediately release. As I was admitted as refugee Pursuant to Section 207 of Immigration and Nationality Act (INA) for Indefinite Period of time, on September 27, 1996. Passport [REDACTED] Silakov Serguei A# [REDACTED] NYC Sept 27 1996
IMM. OFF NYC 2040

Backgrounds:

1. On February 18, 2026, I arrived at the San Ysidro port of entry, where. I was taken into custody and then, on February 21, 2026, I was transferred to the Otay Mesa Detention Center -San Diego, where I'm currently detained.
2. According to the Treaty and refugee status Pursuant to Section 207 of Immigration Nationality Act (INA) for an Indefinite Period of time, granted to me by the Immigration and Naturalization

Services (INS) and my refugee status has not been revoked. Because of that on my individual hearing May 20, 2026 Immigration Judge posted decision, that I'm staying in the same Refugee status, that first time granted to me by the United States Government. United States Department of Homeland Security (DHS) reserve appeal on IJ decision. That process can take some time. And from my side, I don't really understand, why Department of Homeland Security (DHS) reserve appeal on the status that was Granted to me by them (United States Government). And I hope my Honorable Federal Judge Andrew G. Schopler will make decision to Order Respondents immediately release me from custody.

3. Also my mother Nelia Silakova, United States Citizen 

days in Saint Joseph Hospital, Tacoma Washington State. I am the sole care taker of my mother U.S. Citizen Nelia Silakova and i do know if ill be able to see her again, if I still remained detained. In one of the chemotherapy my mum almost died,when i was with her in Washington State, Tacoma Saint Joseph Hospital.

Request for Relief:

I, Petitioner request that this Honorable Court;

1) Grant my Habeas Corpus Petition.

2) Order Respondents to immediately release me from custody.

As result of my continued detention, I has suffered significant emotional, physical harm.

Civil immigration detention is intended to ensure appearance at proceedings and protect the public, not

for function as punishment. I have no criminal history in United States of America for 10 years in total I'm living here, newer had any DUI, poses no danger, and does not present a flight risk. I respectfully requests that this Court grant the petition for Writ of Habeas Corpus and order my immediately release from Immigration and Custom Enforcement (ICE) custody, as my continued detention is no longer justified under the circumstances of this case.

I declare under penalty or perjury that the foregoing is true and correct.

Sincerely

SILAKOV SERGEI
