AO 242 (Rev. 09/17) Petition for a Writ of Habeas Corpus Under 28 U.S.C. § 2241

Grounds for Your Challenge in This Petition

13. State every ground (reason) that supports your claim that you are being held in violation of the Constitution, laws, or treaties of the United States. Attach additional pages if you have more than four grounds. State the facts supporting each ground. Any legal arguments must be submitted in a separate memorandum.

GROUND ONE: He was detained without justification from federal agents on 12-05-2025, when they did not have an order to take him because he had a valid asylum process through the US Department of Justice in Newark. He had a pending accusation from an associate at Walmart that was later dismissed due to the lack of evidence they had against him. He has no violent record or criminal record as the verbal accusation was dismissed on 02-27-2026.

(a) Supporting facts (Be brief. Do not cite cases or law.):

He has an active and pending asylum in the Newark Immigration Court when he submitted form I-589 and had it sealed on September 13, 2025. He was detained on no valid warrant or detention by the Immigration court as he was not convicted of any crime as it was a verbal accusation, there were not evidence to show it was him. His charges were later dismissed by the superior court due to no evidence against him proving he committed the crime he was accused for.

(b) Did you present Ground One in all appeals that were available to you?

☐ Yes

☒ No

GROUND TWO: He has not been giving the adequate or assistance from his assigned deportation officer that he has not spoken to or even met. During his first court appearance the judge asked him if he spoke to his deportation officer in which he said no and the said he needed to speak to him about his detention process and options. from that date he has tried to communicate with the officer and has not been able to speak or see the officer. He has not had access to the detention library for notary and forms for his process.

(a) Supporting facts (Be brief. Do not cite cases or law.):

The deportation officer has not provided him with information he needs to know his options and understand why he is detained. He does not know why he is there or what he is being held for. He has been trying to get documents notaried in the library in the detention center in which has been closed for three weeks. He cannot obtain an attorney to advise him of his rights because all pro bono attorneys are able to represent residents of georgia not from Jersey. He is not being provided with the necessary information he needs to be able to understand his case and proceed to try to fight for his bail bond opportunity.

(b) Did you present Ground Two in all appeals that were available to you?

☐ Yes

☒ No

GROUND THREE: He has been held by the Department of Justice for more then 5 months without him knowing about his case or acknowledged by any "support" for the detainees. He has not been giving the assistance to an attorney pro bono that is able to assist him who is from another state (Jersey). He has been confined for over the period in which is expected for someone without a criminal background or charges by immigration or municipal enforcement. His confinement is unjust.

(a) Supporting facts (Be brief. Do not cite cases or law.):

The time he has been detained is unjust without an opportunity for bond. He has not been provided with the adequate assistance from the deportation officer that was assigned to him. We have tried to communicate with the officer and we did not obtain a response from him. We were scammed by an attorney that was not able to represent him because the attorney was not able to represent him in another state which is Georgia where he is currently held. We have been denied the opportunity to an appeal for a notary document that was missing but he has no access to this while detained.

(b) Did you present Ground Three in all appeals that were available to you?

☐ Yes

☒ No

AO 242 (Rev. 09/17) Petition for a Writ of Habeas Corpus Under 28 U.S.C. § 2241

GROUND FOUR:

(a) Supporting facts *(Be brief. Do not cite cases or law.)*:

(b) Did you present Ground Four in all appeals that were available to you?

☐ Yes

☐ No

14. If there are any grounds that you did not present in all appeals that were available to you, explain why you did not: He was not able to present any ground due to the withholding of the library access to obtain forms and notary assistance to submit his forms in a timely manner and without the necessary notary seals he needed to include.

Request for Relief

15. State exactly what you want the court to do: I would like for the court to give him the opportunity to hear his case and be able to post bond due to the unjust time he has been detained without a criminal record both federally and municipal. He has an asylum process in which he has entered since 09-13-2025 and has paid his annual fee as well. He has no prior record and had entered through the CBP one parole opportunity that was once given to aliens. He then continued his asylum process to fight his case against the unjust circumstances he faced back in his country.

Antonio Jose Bravo Vizcaya

Pilar Gonzalez

To Whom It May Concern:

I am submitting the write habeas corpus on behalf of Antonio Jose Bravo Vizcaya who is currently detained in Stewarts Detention Center in Lumpkin, GA. He has not been able to have access to the local library in the center in which is part of the reason in which I am submitting the writ Habeas corpus on his behalf. I would like to explain from the beginning on who he was detained and placed under the custody of DHS.

On November 25, 2026, Mr. Bravo had an accusation against him by a Walmart employee located on 326 W Main Street, Freehold, NJ 07728. The Walmart associate accused Mr. Bravo of burglary due to him helping a friend with his car in which they were near a mobile mini shipping container. The Walmart associate accused them of attempting to pry open the mini shipping container and steal from it. In which Mr. Bravo intentions were never to steal from the container, he was helping a friend with issues on his car and were parked by the mini container trying to fix the friend's car. He even went into Walmart to purchase items they needed to fix the car. After the police were called and the Walmart associate accused the two men of burglary, the police detained them and took them down to the police station where they later gave him a summons to appear in court for the accusation on January 06, 2026. He was then released with the summons in had to assist his scheduled court appearance.

On December 05, 2025, he was stopped by FBI agents while he was driving his car. He was detained due to an accusation they said to him. Once I, Pilar Gonzalez arrived at the scene in which he was being taken into custody I asked the FBI agent "why are you detaining him, he does not speak English". They ran his plates of his vehicle and had been monitoring him since he left from his dwelling. The FBI agent then replied to me

"immigration wants to see him" and I replied with "but you do not have an order from immigration to detain him, and he has a court appearance with the municipality he needs to assist on the verbal accusation you have mentioned". The FBI agent then replied with a question "he has a court date" in which I replied, "yes he does" and she asked if I had the court documents with me and I showed her the summons. She viewed the papers and replied, "well immigration still wants to see him". The detained him and took him to see immigration at that point.

He was then taking to a holding location in which agents were asking the detainees for their information like name, charge, A#, etc. and once he got to Mr. Bravo, he asked him why he was there and Mr. Bravo replied "I don't Know", the agent then told him "oh well your already here bad luck". Once the officer registered everyone in that was detained and brought in with Mr. Bravo, they were given documentation of their case in which Mr. Bravo was not given any documentation at all. He was then transferred to the Elizabeth detention center where he called me from. He explained that they had fingerprinted him and he did not have anything on his record, not even the accusation because it was a municipal PENDING verbal accusation in which he was not convicted of.

Shortly after he was transferred to El Paso Detention center and during the time he was being transported, I did not know where he was as he stopped communicating with me. He has medical conditions in which he suffers from high blood pressure that is a family history of medical condition. He had a medical emergency where his pressure went up, then he was transported to the Stewarts detention center in Lumpkin, GA where he arrived approximately on December 12, 2025, or December 13, 2025. Once he arrived at the Stewart detention center, he was still sick from the high blood pressure. Medical staff would constantly check on him and his status.

During his stay at this detention center, he was not informed at all about his case at all. He would ask the officers in the detention center, and they would tell him they did not know about his case. Until I entered to the website of EOIR case status and was able to see that he had a court date scheduled for February 9, 2026, for preliminary hearing with Judge Ghunise L. Coaxum. During this time his municipal verbal accusation was still in process with his attorney we hired Thomas V. Campos. The municipality changed the court date various dates on January 13, 2026, and January 23, 2026. After his last court date

On February 9, 2026, when he had his court appearance with immigration he was asked about his asylum process, how he entered the United States and how he obtains his workers permit in which Mr. Bravo explained everything to the honorable judge. Mr. bravo then was informed by the honorable judge that he was being given the removal order to a third country. He was confused in the fact they were trying to deport him to another country in which he was trying to explain to them the reasons why he did not want to go to Ecuador that country they chose to remove him to. He was not given the opportunity to explain with detail on why he opposes to deport him to Ecuador. The honorable judge asked him if he agreed and he said no he did not agree because Ecuador is not safe for Venezuelan. After the court hearing he was not feeling well as high blood pressure went up, and he had to go see the nurses in the detention center. The judge did tell him to speak to an attorney to see if he qualifies for bail.

After they gave him another court date for March 05, 2026, to appear in court. I had an appointment with an attorney to assist him with his appearance and submit a habeas corpus with a bail form to the honorable judge. The attorney we hired was William Matos from law firm IMS Immigration Solutions in which they included in the contract they would place a habeas corpus and bail for Mr. Bravo. The attorney was supposed to represent him that day because he needed to inform the judge of representation and to ask for more time to submit the habeas corpus and bail in which I was charged \$5,000 and had a pending balance of \$1,000 that I had to pay on March 20, 2026. Two days before Mr. Bravo scheduled court date March 05, 2026, the law firm contacted me to inform me there was an error in the contract that they were not going to represent him at that court hearing because it would cost more money. I informed them we were not in any condition to pay more money due to lack of finance. I asked the law firm what could happen to Mr. Bravo since he did not have legal representation, and he told me he would have three court appearance which would give him time to submit the documents for the habeas corpus.

When he had his court date on March 05, 2025, Gabriel Ramirez was supposed to call him at 2:00pm but there was no connection, so he only spoke to him briefly before after his court appearance. Once Mr. Bravo attended his court date the honorable judge asked him where his attorney was he Mr. Bravo

told the judge: it was difficult to obtain an attorney because he was a resident of New Jersey and it has been difficult for him to obtain one as he does not know anyone in Georgia. In the system he was not being represented by the attorney as he spoke to the attorney had spoken to him after his court appearance. The judge told him he was placed under removal to a third country. He then submitted his appeal with BIA on March 30, 2026, and on April 07, 2027, they rejected the appeal because he did not have a certificate of service. He was unaware why as he does not speak the language and was not assisted for that matter. I am his sponsor and have been assisting him with all his proceeding. I guarantee he will continue his process, and I will make sure he is represented by an attorney for his case. I will serve as his sponsor both financially and through his process of asylum.

RE: Antonio Jose Bravo Vizcaya

To Whom It May Concern:

I am writing this letter in support of Antonio Jose Bravo Vizcaya character. I have known Mr. Bravo for a couple of years. He is an exemplary citizen that has always worked hard to provide for his family back home. He has always been a good friend to us and have treated him as family due to the respect and friendship he has offered us throughout the years.

He is a hard-working individual to provide for his family. If he were to be deported it would be harmful for his entire family especially his children who depend on him financially. This will affect his family mentally, physically and morally since Antonio Jose Bravo Vizcaya is the sustenance of his family.

His family is suffering through his absence at the moment both financially and emotionally. He is the only support his family has and he is an abiding citizen that should be released and continue his immigration process. He is not a threat and has support once he is released both financially and emotionally to help him continue his Immigration process with the Department of Justice.

Sincerely,

Kimberly Castillo

RE: Antonio Jose Bravo Vizcaya

To Whom It May Concern:

It is my great pleasure to provide this letter for Antonio Jose Bravo Vizcaya. I have known Antonio Jose Bravo Vizcaya for a couple of years as he is friends with my parents.

He always has been responsible and respectful toward me and others. Throughout the years, our friendship has become more like family, we have gone to each other's family celebration. He is a very humble and honest person that is very dedicated in striving for a better future for his family and himself.

I can honestly say he is a person that leads by example. He works hard to maintain his household and his children as well as the other children he takes care of. He is a very dedicated father to his children who he supports financially.

I recommend for his bond process to continue and ultimately grant him the opportunity to continue his immigration process due to his hard work and outstanding individual he is. We as citizens of the United States believe in opportunity for all individuals.

If you have any questions or concerns, please feel free to contact me. Your attention to this matter is greatly appreciated.

Pilar D. González

RE: Antonio Jose Bravo Vizcaya

Honorable Judge,

My name is Pilar D. Gonzalez; I am writing this letter for support for my long-time friendship with Antonio Jose Bravo Vizcaya. I have known him since he was about 3 years ago, he worked in the same delivery company I worked in. Antonio Jose Bravo Vizcaya has been a great friend to me.

He is a respectful and responsible person in which has shown me nothing but respect. This young man has overcome many obstacles in his life and has strived to become a better person. He has worked hard to set an example for his family and work hard for his family as he is the only one supporting his family financially. He has never had an issue with his employment and is a trustworthy person.

I will be sponsoring him to continue his immigration process and make sure he is aware of any court hearings and guidelines he will need to follow. I will also provide financial stability for him, so he is not an issue for the government or state. I will be responsible for him if he is granted bond and will make sure Antonio Jose Bravo Vizcaya will continue his process and respect every court hearing he has.

I would like to take this time to assure the honorable judge that Antonio Jose Bravo Vizcaya will not be a risk to society as he has a strong foundation. He is a good person, support from my family and is responsible to continue his immigration process. If you need to contact me, you can call me at

RE: Antonio Jose Bravo Vizcaya

To Whom It May Concern:

It is my great pleasure to provide this letter for Antonio Jose Bravo Vizcaya. I have known Antonio Jose Bravo Vizcaya for a little over a year. I met him as a client who was looking to submit his asylum application in which I assisted him with. We continued our friendship after the services as he was friends with my longtime friend Pilar Gonzales.

He always has been responsible and respectful toward me and others. Throughout the year, our friendship has become more like family, we have gone to each other's family celebration. He is a very humble and honest person that is very dedicated in striving for a better future for his family and himself.

I can honestly say he is a person that leads by example. He works hard to maintain his family back home. He is the main source of financial stability for his family and sustains all the financial burden on his shoulder for his family. He is a very dedicated father to his children and his sisters' children who he cares for daily after his sister was murdered.

I recommend he be granted his release from federal custody due to the hard work and outstanding individual he is. He has been in the United States for many years working hard for a better future for his family and himself. He has abided to all the laws, and he deserves to have an opportunity to have a legal status based on his actions and respect toward the United States. We as citizens of the United States believe in opportunity for ALL individuals.

If you have any questions or concerns, please feel free to contact me. Your attention to this matter is greatly appreciated.

Sincerely,
