MOTION FOR TEMPORARY RESTRAINING ORDER,
AND
INJUNCTIVE RELIEF

TEMPORARY RESTRAINING ORDER

Petitioner-Plaintiff, Christian Estiven Vargas-Reyna moves this court ex parte for a Temporary Restraining Order that would among other things, require his immediate release from his ongoing detention by agents of Immigration and Customs Enforcement (ICE) and prohibit his re-arrest without pre-detention hearing before an "IJ" Immigration Judge at which ICE establishes by clear convincing evidence that his detention is necessary to prevent his flight risk or protect the public.

Background :

The evidence before this court establishes that Christian Estiven Vargas-Reyna is a 26-year old from Honduras who entered the United States for protection from Organized Criminal Terrorist Groups Sreet Gangs that have caused Petitioner harm and trauma because of the harm he suffered in the hands of the street gangs. Once in the United States Petitioner would work with a moving company up until Petitioner was jailed for a drug charge. Petitioner was taken into custody by ICE and has not had a hearing on his case yet Violating Petitioner's Due Process rights. Petitioner has family in the U.S who are here legally and counts with there support. [REDACTED]

[REDACTED] Petitioner endures nightmares due to the violence he has lived in his country. Petitioner's Due Process is unequivocally being violated and deserves to be released under this Habeas Corpus. Petitioner here request that this Honorable Court to approve this Habeas Corpus and Temporary Retraining Order since the "IJ" Court Judges are under pressure from the "DOJ" Department of Justice and President Donald J. Trump to deny bonds and Asylum cases. There is evidence that establishes this information that President Donald J. Trump throug the "DOJ" has fired over 100 Immigration

Judges over the United States. Donald trump's administration has fired or forced out roughly 100 immigration judge's since the president took office, including more than a dozen in the last two weeks alone. The administration purged at least eight immigration judges from New York city Monday, according to the union that represents them. another five judges in San Francisco were fired last month without explanation. Unlike Federal District courts, Immigration Courts operate under the Department of Justice and at the direction of the Attorney General. Trump's radical overhaul of the nation's immigration system has upended the courts that keep it running to expedite his mass deportation agenda. One of the judges in New York is Amiena khan, the assistant chief immigration judge at 26 federal plaza, a federal complex in Manhattan that houses immigration agencies and courtrooms. the departures have whittled the number of immigration judges down from 715 to roughly 600, marking a 16 percent drop within 11 months. Dozens of the other judges have retired or resigned since the start of the Trump's administration That is why Petitioner request that this Honorable Court through his Habeas Corpus be approved for a Immediate Release. Petitioner request that this court grant the Temporary Restraining Order so Respondent's cannot transfer Petitioner out of the Jurisdiction of the court or from Otay Mesa Detention Center until the Habeas Corpus is adjudicated. My health has worsen because I have developed depression, anxiety, and major stress disorder because of the prolonged detention I have spent in custody and not being able to be by my immediate family. Also this facility is being Sued by the San Diego County Health Department for Medical Negligence and here I am suffering of Mental Health Crisis without any intervention by the Mental Health Department. I have not received any incident reports for misbehavior since I have been detained here at Otay Mesa Detention Center and have been in good behavior while in ICE custody. I am requesting for this Temporary Restraining Order to be put in place so ICE won't be able to transfer me or deport me.
