I Have been detained at atay Mesa detention Center from a year and . I have not given any chance to get released . My asylum Case is Ongoing and appeal is still Pending with BIA . The Previous Habeas Petition was denied and this Petition states that my health is getting deteriorating with passing time and detention is getting Prolonged and I have applied this new habeas Petition including important document my medical evidences, mental and Physical health records and Sponsor Package . In this entire time my mental and Physical health has been deteriorated and I am facing health Crisis that are affecting me . I am daying inside ~~ins~~ without given chance to get release . Everyone else are getting chance and there were detainees similar to my situation who got released . I am Caged here , I have never been a Criminal in my life and have never been a Criminal in my life and have never committed any Crime . I am requesting that . I Should be released from detention and allowed to wait out side while my immigration Pooress Continues . I have good ties in my United States and have stable address to live and

I make sure that I will present at DHS/ICE
for any interview or removal.
